**Attachments:** draft newspaper public notice - 9-11-2020 950am.docx

Julie – We are finalizing the newspaper ad language today, and it just occurred to me that the length of the ad will probably be a little bit longer than what I provided you earlier (i.e., and will cost a little more than what is in the purchase log). Attached is the current draft, and we should have a final draft by mid-afternoon. I apologize if I didn't make it clear that the length of the draft advertisement provided earlier may increase. Please let me know if you have any questions. Tom
